

Oxwich Sewer Road Schedule at 17.12.2015

Welsh Water has provided the following information on the impact on local roads of the planned sewer works.

11th January to 14th January - There will be a road closure and overnight working from 7pm (after the last bus) until 6am each night on **The Hotel Road** (impacting access to the Oxwich Bay Hotel, Oxwich green & Village Lane).

18th January to 26th January - There will be a road closure and overnight working from 7pm (after the last bus) until 6am each night on **The Marsh Road** (impacting access to Village Lane and restricting access onto Marsh Lane).

26th to 27th January - There will be a road closure and overnight working from 7pm (after the last bus) until 6am on **The Village Lane**.

27th to 28th January - There will be a road closure and overnight working from 7pm (after the last bus) until 6am on the junction of **Marsh Road and Marsh Lane** (impacting access to The Oxwich Bay Hotel, Oxwich Green and The Village Lane).

1st February to 4th February - There will be two way traffic lights through the day on the **Marsh Road** with our team working throughout the day.

5th February to 8th February - There will be a road closure during the day on **The Village Lane** and our team will be working throughout the day.

If the PCC is advised of any changes to the schedule they will be posted at www.penricecommunitycouncil.org.uk.
