Hello

We need to upgrade our sewer network in Oxwich

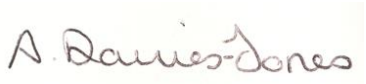
The time has come for us to improve the waste water system in your area. We have a lot of rainwater getting into our network in Oxwich and we need to remove it to help prevent flooding and pollution in the future.

We are currently working with Swansea City Council, Natural Resources Wales, Penrice Community Council and local businesses to agree the best solution for your community. You can be sure that we will do all we can to keep disruption to an absolute minimum in the short-term. But, once we're finished the improvements will benefit the whole community for decades to come.

We want to hear from you!
We are holding a drop-in information event on Thursday 3 December at Oxwich Village Hall between 2pm – 6pm to explain our proposed solutions in more detail and to find out your thoughts. If in the meantime you have a query about our planned work, let us know by calling the number at the top of this letter and ask to speak to Lucy Barnett or Alexandra Davies-Jones.

We're a not for profit company. This means that every single penny goes back into looking after our services to you and to the environment.

Thanks



Alexandra Davies-Jones

Helo

Mae angen i ni uwchraddio ein rhwydwaith o garthffosydd yn Oxwich

Mae'r amser wedi dod i ni wella'r system dŵr gwastraff yn eich ardal. Mae llawer o ddŵr glaw yn mynd i'n rhwydwaith yn Oxwich, ac mae angen i ni liniaru hyn er mwyn helpu i atal llifogydd a llygredd yn y dyfodol.

Rydyn ni wrthi'n gweithio gyda Chyngor Dinas Abertawe, Cyfoeth Naturiol Cymru, Cyngor Cymuned Pen-rhys a busnesau lleol i gytuno ar yr ateb gorau ar gyfer eich cymuned. Gallwch fod yn sicr y byddwn ni'n gwneud popeth y gallwn ni i darfu cyn lleied â phosibl ar y gymuned yn y tymor byr. Ond, bydd y gymuned gyfan yn elwa ar y gwelliannau am ddegawdau i ddod yn y pen-draw.

Rydyn ni am glywed gennych!
Byddwn ni'n cynnal achlysur galw heibio i rannu gwybodaeth ddydd Iau, 3 Rhagfyr yn Neuadd Pentref Oxwich rhwng 2pm a 6pm er mwyn esbonio ein hatebion arfaethedig yn fwy manwl a chasglu eich safbwyntiau chi. Yn y cyfamser, os oes ymholiad gennych am eich gwaith arfaethedig, rhowch wybod i ni trwy ffonio'r rhif sydd ar frig y llythyr hwn a gofyn am Lucy Barnett neu Alexandra Davies-Jones.

Cwmni dŵr di-elw ydyn ni. Mae hyn yn golygu bod pob ceiniog ym mynd nôl i ofalu am ein gwasanaethau ar eich cyfer chi a'r amgylchedd.

Diolch

A. Davies-Jones
